Matthew G. Bevin
Governor

William M. Landrum III
Secretary

TO: Constitutional Officers, Cabinet Secretaries,
All Agency Heads, and Fiscal Officers

FROM: William M. Landrum III, Secretary
Finance and Administration Cabinet

DATE: March 14, 2016

SUBJECT: Closing Schedule – Fiscal Year 2016

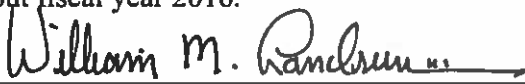

In accordance with KRS 45.229(2), the Finance and Administration Cabinet is legally required to close the old year accounts within thirty days of June 30. The schedule of closing procedures for fiscal year 2016 is attached. It includes the deadlines for final eMARS document approvals that apply to accounting, purchasing, budgeting, and personnel matters. It is important that all agencies comply with the document completion schedule and procedures outlined in this memorandum.

Purchases requiring Strategic Procurement Review (SPR) approval must be submitted by June 7th to obtain approval for fiscal year 2016 documents. The agency needs to allow sufficient time for SPR approval and the normal procurement process. A copy of the APPROVED SPR1 must be attached at the header of all applicable procurement/payment documents.

During the closing period, it is important to segregate all transactions for goods and services received by June 30, 2016, from transactions for fiscal year 2017.

Statewide Accounting Services will be opening up fiscal year 2017 in eMARS on Thursday, May 5, 2016. Any additions or changes that agencies make to departmental chart of account elements after May 5, 2016, will need to be made in both fiscal year 2016 and fiscal year 2017.

Deadlines vary according to type of transaction. No deadline is earlier than Friday, April 1, 2016, and none is later than Thursday, July 14, 2016. All transactions for fiscal year 2016 must be accepted in the eMARS Accounting System by close of business, Friday, July 8, 2016. After Friday, July 8, 2016, all transactions will post to fiscal year 2017 and will be charged to fiscal year 2017 allotments, except those journal voucher documents necessary to close out fiscal year 2016.

William M. Landrum III, Secretary
Finance and Administration Cabinet

11 March 2016
Date

The Closing Schedule shows the responsibility for approval of eMARS documents, whether Agency, Statewide Accounting Services (SAS), Office of Procurement Services (OPS), Office of the State Budget Director (OSBD), or Department of Treasury (Treasury). This should facilitate agency knowledge of document due dates for final fiscal year 2016 approval. Additional comments follow the charts. **Remember that the last date to post fiscal year 2016 documents is Friday, July 8, 2016. Only CA, JV, JVA, JV2P, JV2IN, JV2T, JV2E, JV2R, and JVC documents will be allowed to post in fiscal year 2016 after this date, and only with override approval from Statewide Accounting Services. ALL documents posting to fiscal year 2016 must be marked Final by 7:00 PM EDT Thursday, July 14, 2016.**

New Year Procurement document activity before **Monday, June 6, 2016**, must use non-accounting event types in order to validate and submit into workflow unless your agency's fiscal year 2017 allotments have been loaded to eMARS. Agencies may check the status of their fiscal year 2017 allotments on the eMARS website (<http://finance.kv.gov/services/statewideacct/Pages/yearendsupport.aspx>) under the "Fiscal Year 2017 Allotments to eMARS" section.

****When creating Fiscal Year 2017 contracts before Friday, May 6, 2016, DO NOT code Fiscal Year 2017 in the Fiscal Year field or you will not be able to open the document.****

Ordered by Document Code

Document Code	Document Description	Final Approval Responsibility	Last Day to Process Old Year	First Day to Process New Year
AD	Automated Disbursement	Agency	6/30/2016	7/1/2016

ADDITIONAL COMMENTS

AGENCIES

1. Imprest/Petty Cash Reimbursement Schedules. Final imprest cash reimbursement schedules for fiscal year 2016 must be processed on a GAX document type by close of business Friday, July 8, 2016, in order to charge old year funds. Reimbursements processed after Friday, July 8, 2016, will be charged to fiscal year 2017. Requests for amendments to present authorities should be sent to the Office of Procurement Services.

STATEWIDE ACCOUNTING SERVICES

1. Closing Dates. The Soft Close for accounting period 12/2016 will be Thursday, June 30, 2016. The Hard Close will be Wednesday, July 6, 2016. The Soft Close for accounting period 13/2016 will be Friday, July 8, 2016. The Hard Close will be 7:00 PM EDT Thursday, July 14, 2016.
2. Reimbursement Output. Reimbursement Output will be run on Friday, July 1, 2016, for transactions posted through Friday, July 1, 2016.

The chart below describes the accounting periods (i.e. Fiscal Month and Fiscal Year) that apply to documents generated by Reimbursement Output.

	BILLING DATES			
	JUNE 17	JUNE 24	JULY 1	JULY 8
Calendar Dates Covered	06/11-06/17	06/18-06/24	06/25-07/01	07/02-07/08
Open Accounting Periods (and possible transaction acceptance periods)	12/2016	12/2016	12/2016 13/2016 01/2017	12/2016 13/2016 01/2017
RE/CR accounting periods	12/2016	12/2016	13/2016	01/2017

3. **Cost Allocation.** Cost allocation will be run for accounting period 12/2016 with the following schedule.
 - CHFS 7-1-2016
 - COT 7-1-2016
 - DMA 7-1-2016
 - OET 7-1-2016
 - GAPS 7-1-2016
4. CA's created from the 12/2016 allocation must be posted by COB Wednesday, July 6, 2016.
5. **Cost Allocation.** Cost allocation will be run for accounting period 13/2016 with the following schedule.
 - CHFS 7-11-2016
 - DMA 7-11-2016
 - OET 7-11-2016
6. CA's created from the 13/2016 allocation must be posted by COB Thursday, July 14, 2016.

Note: The dates for Cost Allocation outlined in this Schedule pertain to internal allocations in those agencies and are not related to multi-agency billings such as COT, Printing, Fleet, etc...

7. **Encumbrances.** Budget fiscal year 2016 encumbrances will be liquidated in budget fiscal year 2016 and remaining balances will be established in budget fiscal year 2017 on Saturday, July 2, 2016, except for the capital projects fund (since the budget fiscal year remains the same throughout the life of the project). **Encumbrances under \$1,000 for all other funds** will be liquidated, but they will not be re-established in 2017. Fiscal year 2017 payments against these 2016 encumbrances that were not re-established must be paid on a standalone PRC document with a memo reference to the encumbering document. Encumbrances that were re-established in fiscal year 2017 must be paid as a 2017 payment after July 1; a JV2E document may be used to move the expenditure back to fiscal year 2016. **We anticipate eMARS to be unavailable Saturday, July 2, 2016, through Sunday, July 3, 2016, in order to complete the encumbrance roll.**

Pending Encumbrance and Expenditure Transactions. All budget fiscal year 2016 pending encumbrance transactions, modifications, and cancellations (other than capital projects) must be posted prior to COB

Friday, July 1, 2016, allowing the encumbrance roll to complete. All budget fiscal year 2016 pending expenditure transactions, modifications, and cancellations (other than capital projects) must be posted prior to COB Friday, July 8, 2016, creating final budgetary balances. Any of the above 2016 documents in the pending phase will be rejected back to draft phase after the specified dates.

8. Annual Financial Report and Annual Inventory. The Office of Statewide Accounting Services will be requesting closing financial data for the purpose of preparing the Commonwealth's Comprehensive Annual Financial Report in compliance with Generally Accepted Accounting Principles (GAAP). The request will arrive about Friday, May 6, 2016. Although the financial information being requested in the closing package is the same as last year, anyone who is responsible for/or supplies the information in the closing package to the Office of Statewide Accounting Services is encouraged to attend the training. The presentation changes from year to year to better explain the required information and/or to address problems encountered in the previous year. It is extremely important that all the agencies submit their closing packages as thoroughly and accurately as possible. Contact Phil Nally at phil.nally@ky.gov or (502) 564-2994 to register for training. Training sessions will be scheduled during the week of June 6 -10 based on the number of requests received.
9. Fixed Asset Inventory. Physical inventories must be performed for items over \$5,000 acquired prior to the date of the actual inventory. Certified inventory reports are due to the Office of Statewide Accounting Services by Tuesday, May 31, 2016. Physical Inventory Procedures are found at the following website:

<http://finance.ky.gov/services/statewideacct/Pages/physicalinventoryprocedures.aspx>
10. Because of statutory requirements, the Office of the State Budget Director and the Office of Statewide Accounting Services will not be able to unilaterally increase appropriations during the closing period.

OFFICE OF PROCUREMENT SERVICES

Purchase requests (RQS) for all goods that are not currently on contract that exceed the agency's small purchase limit shall be sent to the Finance and Administrative Cabinet, Office of Procurement Services, no later than Friday, April 1, 2016, for requests equal to or above \$20,000. Requests less than \$20,000 must arrive no later than Friday, May 20, 2016. All Purchase requests (RQS) shall be processed using the same procedures that are required per the Strategic Procurement Request process. The agency must allow enough time for the approved disposition to be returned to them and attach it to the header of the RQS. The Finance and Administration Cabinet will not begin processing the RQS until the SPR1 has been approved. The agency must receive an approved SPR document before the items can be purchased by any method. All items must be received no later than Thursday, June 30, 2016, to be paid out of old year funds. If a purchase for furniture is authorized, the Division of Correctional Industries or the Division of Surplus Property shall be utilized whenever possible.

1. Purchase Requests (RQS) Equal to or Above \$20,000 (Old Year). Old Year purchase requests equal to or above \$20,000 must be received by the Office of Procurement Services (OPS) by close of business Friday,

April 1, 2016, and delivery must be assured by Thursday, June 30, 2016, in order to be paid out of fiscal year 2016 funds. Purchase requests submitted between now and Friday, April 1, 2016, should state in the document comments of the purchase request one of two statements: “Delivery is desired prior to June 30, 2016,” allowing OPS to award the Contract and if delivery could not be made until after Thursday, June 30, 2016, payment would be made with fiscal year 2017 funds; or “Delivery must be completed prior to June 30, 2016,” and if the vendor could not meet the delivery requirement, OPS would not issue a Contract. *If neither of the above statements is indicated, the purchase request will not be processed until this information is received from the requesting agency. It will be the agency's responsibility to add the appropriate statement to the document comments prior to the Friday, April 1, 2016, deadline for fiscal year 2016 funding.* Due to the volume of old year purchase requests received by OPS, agencies are to submit their purchase requests as soon as possible. If an agency delays its requests until just before the deadline, the chances of processing and obtaining deliveries by Thursday, June 30, 2016, are greatly reduced. *Agencies should also ensure that their purchase request provides complete information on the transaction (i.e. adequate specifications, best value criteria, suggested sources (added to the free form vendor section), quantity, estimated price, valid account codes, etc.).* This requirement does not apply to purchase requests for the establishment of master agreements since no encumbrance of funds is involved. Agencies should not submit requests for new year purchases before Friday, May 6, 2016, and must clearly state on the purchase request that delivery is not desired or required prior to July 1, 2016. Place this information in the document comments.

2. **Small Purchase Requests (ROS)**. For purchase requests that exceed an agency's small purchase authority, the Office of Procurement Services (OPS) may exercise its Small Purchase Authority, to a maximum of \$20,000, when it can be determined that the purchase will not exceed the estimated amount in accordance with KRS 45A.100. The small purchase request should be received in OPS by close of business Friday, May 20, 2016, in order to allow time for required solicitation of quotations, encumbrance of funds, contract award, and vendor delivery by Thursday, June 30, 2016. Purchase requests submitted between now and Friday, May 20, 2016, should state in the document comments of the purchase request one of two statements: “Delivery is desired prior to June 30, 2016,” allowing OPS to award the Contract and if delivery could not be made until after June 30, 2016, payment would be made with fiscal year 2017 funds; or “Delivery must be completed prior to June 30, 2016,” and if the vendor could not meet the delivery requirement, OPS would not issue a Contract. *If neither of the above statements is indicated, the purchase request will not be processed until this information is received from the requesting agency. It will be the agency's responsibility to add the appropriate statement to the document comments prior to the Friday, May 20, 2016, deadline for fiscal year 2016 funding.* Due to the volume of old year purchase requests received by OPS, agencies are to submit their purchase requests as soon as possible. If an agency delays its requests until just before the deadline, the chances of processing and obtaining deliveries by Thursday, June 30, 2016, are greatly reduced. *Agencies should also ensure that their purchase request provides complete information on the transaction (i.e. adequate specifications, best value criteria, suggested sources, quantity, estimated price, valid account codes, etc.) and has the approved SPR1 attached at the header.* The total aggregate amount cannot be artificially divided by submitting more than one requisition for the same item during the closeout period. This would be in violation of KRS 45A.100(2). Old year small purchase requests totaling \$20,000 or less will be awarded from fiscal year 2016 funds when delivery is guaranteed and completed by Thursday, June 30, 2016.

Deliveries made after Thursday, June 30, 2016, will be charged against fiscal year 2017 funds. All requests must comply with the guidelines listed in the introductory paragraphs for this section.

3. Purchase Orders, Requests for Approval for Special Authority, Exception to Sealed Bid. All requests for special authority contracts with a delivery date required before Thursday, June 30, 2016, and payment from old year funds must arrive in the Office of Procurement Services (OPS) by close of business Friday, June 10, 2016, to allow adequate time for services to be performed and goods delivered by the end of the fiscal year. Special authority contracts that are for payment only must arrive in OPS by close of business Friday, June 17, 2016. All requests must comply with the guidelines listed in the introductory paragraphs for this section and with the requirements of the Finance Policies and Procedures Manual. **A copy of the APPROVED EXEMPTION JUSTIFICATION LETTER (IF APPLICABLE), APPORVED SPR1 and the Required Affidavit for Bidders, Offerors and Contractors must be attached at the header of all procurement/payment documents.**
4. Modifications. All requests for changes to contracts issued by the Office of Procurement Services (OPS) that affect old year allotments must arrive in OPS by the close of business Friday, June 10, 2016. Agencies must process changes to their own contracts that affect old year allotments by close of business Thursday, June 30, 2016.
5. Personal Service Contracts/Modifications/MOAs for Services performed by Thursday, June 30, 2016. In order to guarantee payment from fiscal year 2016 funds, agencies must submit all PSCs/Modifications/MOAs to the Office of Procurement Services (OPS) by close of business Monday, May 9, 2016, to allow adequate time to process for the June meeting of the Legislative Research Commission (LRC). Agencies that do not process PSCs and MOAs through OPS must submit all PSC's/Modifications/MOAs to LRC not later than Friday, May 20, 2016. PSCs/Modifications/MOAs arriving in OPS after Monday, May 9, 2016, or LRC after Friday, May 20, 2016, will not be processed for approval prior to the end of fiscal year 2016, and shall be paid from fiscal year 2017 funds.

New Personal Service Contracts or MOAs that require an effective date so that services begin on July 1, 2016. Agencies may submit to OPS beginning immediately, but no later than Wednesday, June 8, 2016, to allow adequate time to process for the July meeting of the Legislative Research Commission (LRC). Agencies should plan their contracting schedule taking into consideration the additional review process of their RFPs by the Finance Cabinet which was implemented on February 7, 2011. The RFP shall be submitted at least 7 days prior to the intended RFP "let date" (published date), and a "close date" a minimum of 7 calendar days after the "let date".

FUND BALANCES

1. General Fund. *All General Fund balances at the close of the fiscal year shall lapse to the surplus account of the General Fund, with the exception of statutory or budget bill authorized continued appropriations.*
2. Capital Projects Fund. Capital Projects fund balances (appropriations, allotments, cash, and encumbrances) will remain in the same budget fiscal year. No carry forward entries are required.

3. Road Fund. All Road Fund balances at the close of the fiscal year shall lapse to the surplus account of the Road Fund, with the exception of statutory or budget bill authorized continuing appropriations.
4. All Funds (except Capital Projects Fund). The final period cash report will serve as the ending balance resource as cash is not segregated by fiscal year. Agency funds are not allowed to close with negative balances. General Accounting staff will be working with agencies the week of July 11 to clear these balances. On Friday, July 15, 2016, Statewide Accounting Services personnel will begin final preparations for the Hard Close. All allotment balances except continued appropriations will lapse.
5. Requests for Fund Transfers to the General Fund. Requests for fund transfers to the General Fund must be submitted in writing to the Office of the State Budget Director by close of business Thursday, June 30, 2016.

PERSONNEL

KHRIS CA documents processed for the May 16 through May 31 pay period (approximately June 8) will be adjusted to remove the postings for object code E123. The accounting lines will be included on a new CA document with the same document ID appended with a "P" on the end that will post on July 1 in fiscal year 2017. **You may not JV the expenditures back to fiscal year 2016; the expenditures must remain in fiscal year 2017.**

The entire payroll for pay period June 1 through June 15 will be held until July 1 and will post in fiscal year 2017. **You may not JV the expenditures back to fiscal year 2016; the expenditures must remain in fiscal year 2017.**

All of the above mentioned changes are being handled within the eMARS accounting system. Any reports generated through KHRIS (153 Report) will not reflect the changes made in eMARS.
